High turnout at public exhibition for Engine Lane

Our public exhibition for Engine Lane in Nailsea enjoyed great interest from local residents. The project team welcomed 190 people to the event which was held on Thursday 15 December at Christ Church's Vestry Hall in Nailsea. We have been pleased with the response that we have received from residents, it has been quite a balanced view. We will continue to liaise with local residents throughout the process and answer any questions they may have. If you have any questions or comments, please let us know by clicking the Contact Us button and filling in the online form.
